SHIPPING GUIDE

If you wish to ship goods to EBME Expo, we have several options available to assist you in doing this.

For all commercial goods entering the UK, there are requirements to be met. Please see the government guidance here:

Larger Shipments

We partner with Creative Freights for the exhibition to move any larger scale items/loads. Please see their order form here:

Smaller Shipments

Please see the government guidance here:

Option 1

Courier Service such as DHL, FedEX or UPS, shipping to UK

If you chose to ship a smaller scale parcel, each individual courier service will advise on their clearance times and then you can connect with Creative Freights to collect, hold and then deliver your goods to your stand during setup.

Please see Creative Freights form here:

Option 2

Carrying goods in your luggage

Should you wish to carry your items with you in your luggage, you must adhere to the UK guidance regarding commercial goods. Please see the packing guidance here:

Please be advised that when sending any goods to the UK, you must give ample time to move your goods into then country including clearance. We cannot assist with goods that are delayed.
